We have made some changes this year in response to the Covid surge. We will not have society or commercial displays nor AOS judging this year and that will allow us to spread out the vendor sales booths and improve traffic flow and social distancing. We encourage our members, vendors and show attendees to wear masks to protect our most vulnerable. We will return to our regular show format next year.

The Venice Area Orchid Society is one of the largest and most active orchid societies in the U.S. with more than 400 members. Our mission is to foster orchid growing, to provide a forum for orchid exhibition, to promote orchid conservation, and to share the knowledge and experience of growers and hobbyists. We are an affiliate of the American Orchid Society. Our annual show is our major fund raising event and is always held the first full weekend in February at the Venice Community Center in downtown Venice.
