General Meeting

Thursday February 1st

Doors Open: 6:30pm

Venice Community Center

Speaker: Alan Koch

Topic: Miniature Cattleyas for a Warm Climate

Alan Koch owns and operates Gold Country Orchids where he specializes in miniature and compact Cattleya's along with miniature species. Alan started growing orchids in 1969 with 3 Cymbidiums given to him by an aunt. While in college he became interested in other orchids and discovered many would grow outdoors in Southern California. He has moved five times as his orchid obsession has led to the need for more growing space. With the last move, he purchased 10 acres of land in Lincoln, California for his 250,000 orchids. He is recognized as an expert in the Brazilian Cattleya alliance and a trend setter in miniature compact and Cattleya breeding. Alan has been published in the Orchid Digest, the American Orchid Society magazine, as well as many International Publications. He has also been published in several proceedings of the World Orchid Conference. He is an internationally known speaker. He is a past member of the AOS Judging Committee, and the Research Committee, as well as an Emeritus Judge and is Training Coordinator for the California Sierra Nevada Judging Center. Alan also served two terms on the Orchid Digest Executive Committee and 3 terms on the Board of Directors, as well as two terms as a Trustee for the AOS. He is currently the First Vice President for the International Phalaenopsis Alliance. Alan is also well known for the many AOS auctions he has done.

Alan will have plants for sale.

Your Blooming Plants Are Needed!

VAOS Annual Orchid Show & Sale

Excitement is in the air as we prepare for our annual orchid show and sale next weekend! A key component of our show is the three elaborate displays put in by VAOS, EAOS (Englewood) and SOS (Sarasota). These exhibits are composed of member plants that AOS judges evaluate to award ribbons and trophies for the best orchids. If you have a blooming plant in prime condition during the show weekend please enter your plant. You will help our display team volunteers build a quality display and you may bring home an award for your plant!

Bring your plants to our February 1st (Thursday) monthly meeting or drop them off at the Venice Community Center rear entrance on Friday, February 2nd, between 12pm – 1pm.

All plants must be registered in advance via email between Monday January 29th and Wednesday January 31st.

Email your plant name with a photo of the flower or color description and flower size to PlantReg@VAOS.org.

Look for a return email confirming your plant registration with a number. Attach your name and this number to the side of your orchid pot. This will facilitate display set up at the show.

Plants should be cleaned, staked, free of pests and disease and labeled with both the plant name and the owner's name. Flowers should be in prime condition to last through the weekend show. Please water your plants thoroughly. Pick up your plants on Sunday at 4pm.

Set up: Friday February 2nd, 1pm – 7pm

Show: Saturday February 3rd, 10am – 5pm

Sunday February 4th, 10am – 4pm

Take Down: Sunday February 4th, 4pm

It's Officially "SHOW SEASON"!!!! Congratulations to our Display team as VP of Display Kristln Shaw and her team received the 2nd place ribbon in overall display at the January 6-7 Sarasota Orchid Society annual show.

We also saw so many ribbon winners within our display, including the Best in Show Dendrobium awarded to Irene Bozogan, who also won \$50.00 and turned it back to the society to use toward food for our upcoming show. Thank you, Irene.

Remember folks, we need your blooming orchids to create these amazing shows of orchid art and you could be a winner as well.

Upcoming Social Events: Plans in the making....

- * Member to Member "Show Them Where You Grow Them" tours; Interested members who would like to showcase their orchid growing areas and tips on successful orchid growing in their personal oasis', please sign-up beginning in March for our spring tours.

- * Bus Tour Ramble: after speaking with so many attendees during our last bus trip we are looking at doing an Orchid Ramble by visiting orchid greenhouses with possible stops for other shopping in the comfort of a luxury bus tour. More details to follow our show. 😊

- * Luncheon at Snook Haven during the blooming of the Encyclia Tampensis. Looking to find a relaxing fun atmosphere to enjoy our newly found friends of orchids and those who we have cultivated over the years in orchid growing by lunching with a side of naturalized orchids...

It takes a village to make these and all our events successful but most importantly it takes our members to participate for true success!

Looking forward to meeting some new faces and reconnecting with those we know during our upcoming meeting on Thursday February 1st and during our VAOS show and sale on February 3 & 4, 2024.

Peace, Love & Orchids to all of you,

Denise M Langman, VP Social VAOS

Monthly Meeting Minutes

January 3, 2024

President Joanna Shaw opened the meeting at 7:04. She welcomed everyone and reminded all that Sarasota was having their show this weekend and that all plants for the Venice Area display were to be dropped off tonight or at very latest 9:00 am tomorrow.

Joanna then pointed out the table of orchids that had been brought in for judging and encouraged everyone to please vote during the break.

Next, she introduced Natalee McKinney from Orchid Envy and reminded everyone she is located on Venice Ave and that she had brought a mixture of plants at the back table for purchase.

Joanna then turned the floor over to Rick Belisle:

Rick reminded everyone of the growers clinic being held on January 11, 2024, on Dendrobiums. He stated that it would be held from 7-9 pm at the Venice Community Center and that we would do an orchid ER that night as well and if anyone had any plants that they were concerned about to bring them in. Rick also reminded the Society members to please wear their name tags to help guests know who the members are.

Rick then turned the floor over to Natasha Romero:

Natasha reminded everyone how important it is to bring in items for the raffle table. She advised that more donations are needed to keep it fun for everyone and to help raise money for our society. She also encouraged everyone to buy raffle tickets.

Joanna took the floor back to remind everyone to also bring in plants for plant table judging as well. She then introduced Judy Loeffler:

Judy made the announcement that the membership dues are due and that you could pay them at the front table where you came in. She then spoke of our upcoming show on February 3 and 4th and asked everyone to please pick up the postcards at the front table and pass them out to friends and family. She also reminded everyone that more volunteers are needed. She asked that everyone remember that we are known for our good food and that we need more people to sign up to bring food for both days.

Judy stated that we have openings for show host volunteers on Sunday and Friday. She reminded everyone that the community center had just put in a new floor so we would need to take extra care not to drag anything. She went over other needs for volunteers for the show and then spoke on the attire of the show being tie-dye. Judy then introduced Karen Mann to explain the Orchid Boutique.

Karen explained that the Orchid Boutique is made up of volunteers that create orchid floral arrangements to be sold. They also put together bouquets that are given away to handicapped people during the show days. She spoke of the fact that they still needed a few more to help.

Judy took back the floor and spoke about what clerking is and that there would be a training class for clerk volunteers on Thursday the 1st of February at 5:30.

Meeting Minutes Continued from previous page

Vicki Fisher then introduced tonight’s speaker Dr. Lawrence Zettler. Dr Zettler is a professor of biology at Illinois College and a research associate at the Chicago Botanic Garden. He earned his B.S. degree from the University of Florida and PH. D in plant Physiology from Clemson University.

Dr Zettler took the floor and stated that we are the largest Orchid Society he has ever spoken in front of. He spoke on the Ghost Orchid and even mentioned that our own Jay Loeffler was working with the fungus required by the Ghost Orchid to survive.

8:04 Joanna took the floor back and said to break for intermission.

8:28 Joanna called us back to our seats and said we were going to skip the plant table and turned the floor over to Natasha for the raffle. Natasha called the blue raffle tickets, with a thank you to all who had donated that night. She made a special thank you to Natalee from Orchid Envy for the plants she donated.

8:40 The meeting was adjourned.

Monthly Quick Tip from Your Growers Clinic Team

FEBRUARY

Light Watering should be done in the morning hours.

Caution, not out of the cold yet!

Treat with recommended fungicide.

Look for plants needing repotting.

And, of course, cleaning up your growing area and plants by remove dead leaves helps keeping your plants healthy. This should be done throughout the year as needed.

For more detailed information consult the [Florida Orchid Growing: Month-by-Month](#) book by Martin Motes, PhD.

January 2024 Growers Clinic Report

On a dark, stormy and cold night approximately 38 hearty souls attended our Growers Clinic featuring a discussion, led by Rick Belisle, on the large genus of **Dendrobiums**! Several live plants were brought in as examples of this varied group. An unexpected surprise was the simply outstanding Dendrobium Spatulata brought in by Irene Bozogan, fresh from its recent Sarasota Orchid Society “Best in Show – Dendrobium” award. Justifiably, it generated lots of “oohs & aahs”! (Hint: If you missed the show, and want to see a photo of this wonderful plant, visit our VAOS Facebook site and scroll through to Denise Langman’s posts regarding the meeting.) Upon being presented with her monetary award from the SOS, Irene graciously signed it over to the VAOS to help defray some of the costs of our upcoming show & sale. Thank you, and again, Congratulations, Irene!

The Orchid ER had a slow night with only a few “patients”. One that generated some interesting discussion was a good-sized Dendrobium Anosmum that had only one leaf. As it is currently in its “dormant” stage, it’ll be interesting to see it morph into a gorgeous plant with its cascading flowers when it awakes! Mark your calendars and join us for our next Growers Clinic, February 8, 2024, for our “Basic Orchids – 101” class.

SARASOTA ORCHID SHOW RECAP

Show season has officially begun! The Sarasota orchid show with it's theme "Orchids in Paradise" kicked off our season with a good time, and a beautiful display. I chose to go with a tropical island theme, and I think we did pretty well. This year's set up team consisted of myself, Rick Hindman, Sara McCartney, Bruce Weaver, Irene and John Bozogan, Ian Kennedy (and donuts), Walter Dettling, Carol Wood, and I cannot forget the plant registration and labeling team, Linda Schaller, Vicki Fisher, and Joanna Shaw.

The most difficult part is deciding where to start. We put up a wall suggesting a tiki hut, and had some well placed tiki type statues and torches as accents. The focal and starting point was 4 white phalaenopsis. The right saw the pinks leading down to the purples while the left had the yellows and greens leading down to oranges and reds. Driftwood and shells completed the look. We placed second, which while a little disappointing, showed us what we can improve upon going forward.

Thirteen VAOS members entered a total of 43 plants winning 21 ribbons and one trophy as follows:

#301 Jean Phillips – 1 Blue

#302 Bibiche Knauf – 1 Blue

#304 Steve Keller – 1 Blue, 1 Red

#305 Stephen Wiener – 1 Red

#306 Rick Belisle – 1 Yellow

#307 Irene Bozogan - 1 Blue, Trophy: Best Dendrobium (**Congrats Irene!**)

#308 Linda Schaller – 3 Blue

#309 Joanna Shaw – 2 Blue, 1 Red, 1 Yellow

#310 Mike Mayers – 2 Blue, 1 Red

#311 Vicki Fisher – 1 Blue, 1 Red

#312 Maria Ruano – 2 Red

The most important thing is, we all had fun. It might be my name as the VP displays, but every single person I mentioned was extremely important to the whole process. It was truly a group effort. So to that group, I say thank you so much, and let's do it again on our home turf!

VAOS PLANT ENTRY INSTRUCTIONS

The EAOS show is normally held in March each year at the Ann & Chuck Dever Regional Center in Englewood. Hurricane Ian damage repair delays have forced a venue and date change this year:

Show: Saturday February 24th, 10am – 5pm

VAOS members are encouraged to enter their blooming plants to support our sister society and to help our VAOS display team put in a quality display. While plant registration is not required, we do request that you submit your plant name via email so that we can prepare a display label for your plant.

Email your plant name in advance between February 19 – 21 to PlantReg@VAOS.org

Bring your plants to the Tringali Community Center on Thursday, February 22nd, by 10am

Alternatively, you may drop off your plants by Wednesday February 21st 6pm: Kristin Shaw, 1541 Poinciana Rd., Venice 34293. Leave by front door.
